Mother's Day: A trap

Vrinda Viswanathan

MOTHER'S DAY was first celebrated in 1908, when Anna Jarvis held a memorial for her mother at St Andrew's Methodist Church in Grafton, West Virginia. Today, every 2nd Sunday in the month of May is celebrated as Mother's Day.

India is a country of great culture and tradition. In its Holy scriptures mother is given the highest position, **"matru devo bhava"**. We celebrate mother's day every day, every hour, every moment. Relationships are based on love and all time caring. In the gimmick of paying reverence to mothers on 'Mother's Day', we buy expensive greeting cards, bouquets, chocolates and other gifts; we spend a lot of money and end up adding to the revenues of companies marketing their products.
